

After acquiring proper documentation to attend Bering Omega's Day Treatment program, the person will need to:

- Call the program to set up an intake – 713-341-3750
- During our one-on-one intake, the application will be explained and completed by both the client and the program staff. Please allow an hour for the intake process.
- The client, if they choose, can begin the program the same day as their intake.
